

Report on the activities of volunteer Working Group on Sustainable Development Goals at the meeting of Executive Board of MFTTT

12th December, 2017., Budapest, HUNGARY

Title of the report:

Our profession for the achievement of UN Sustainable Development Goals – MFTTT activities

Authors: Szabolcs MIHÁLY – Gábor REMETÉY-FÜLÖPP – Tamás PALYA

Structure of the report was based on the content of the presentations, made by the authors (all the authors are the member of MFTTT): List of the items:

- Itemized list of the presentations and papers,
- Paper, published in MMM-GI international scientific journal,
- Reports for the international organizations (GSDI, EO4SDG) made by Gábor REMETÉY-FÜLÖPP,
- Results of international networking from the beginning of December 2017 (Gábor REMETÉY FÜLÖPP skype meeting, Tamás PALYA Statistics and Ordnance Survey of Ireland),
- Establishing national cooperations (e.g. National University of Public Service, in the theme of Good Governance)

Future plans were also presented, if MFTTT would support these further activities:

- Improving national cooperations (e.g. National University of Public Service, Central Statistics Office, Ministry of Agriculture/Department of Land Administration and Geoinformation, National Sustainable Development Strategy),
- Widening international connections,
- Applications for funds supporting WG's activities.

Executive Board of MFTTT accepted the report, returned thanks for the activities and declared supporting the WG's work. Gyula IVÁN (vice secretary-general of MFTTT) was appointed as contact for any required activities within MFTTT for supporting the work of the WG. Executive Board made a resolution on this issue as well, signed by the President (József ÁDÁM). Executive Board decided, that MFTTT would try to find financial sources for the work of WG, mainly from the Department of Land Administration and Geoinformation at the Ministry of Agriculture and the Government Office of the Capital City, Budapest.
