
Selected activities of the MFTTT WG4SDG since 2016

MFTTT Working Group for Sustainable Development Goals

Some presentations and interventions abroad with number of attendees

<i>Del Bianco CitySmart and the Geospatial Community in the context of UN 2030 Agenda and the New Urban Agenda. Conference on Heritage for Planet Earth Fondazione Romualdo Del Bianco. Florence, 11-13 March, 2017</i>	160+
<i>Remotely presented GSDI Liaison Report with GSDI and the SDGs of the UN 2030 Agenda. CEOS WGISS-43 hosted by NASA, Annapolis, 3-6 April, 2017</i>	40+
<i>How Open Source Virtual Globe is supporting the SDGs Co-authors: P.Hogan, M.A. Brovelli 10th ISDE Symposium – Locate 17 Conference. Sydney, 3-6 April, 2017</i>	800
<i>GSDI Liaison Report focusing on GI/EO for SDGs including the Hungarian case CEOS WGISS-44 hosted by RAD, CAS Beijing, 25-28 September 2017</i>	30+
<i>Geospatial Data and Services to support the UN Agenda 2030 implementation: Hungarian Activities. 7th Int’l Conference on Cartography & GIS, Sozopol, Bulgaria 18-23 June, 2018.</i>	200+
<i>‘Hungarian GIS Data for the Sustainable Development Goals’ European Forum for Geography and Statistics, EFGS, Helsinki, 16-18 Oct. 2018</i>	200+
<i>Remotely presented HSO Liaison Report includes update on MFTTT WG4SDG activities CEOS WGISS-46 Plenary hosted by DLR, Oberpfaffenhofen, 22-25 October 2018</i>	25+
<i>HSO Liaison Report includes update on MFTTT WG4SDG with space industry activities CEOS WGISS-47 Plenary hosted by NOAA, Silver Spring, 29 April - 2 May 2019</i>	25+
<i>Unlock and use EO/Geospatial data for SDG by empowering stakeholder engagement in a transformed society. 11th International Symposium on Digital Earth, Florence, Italy, 24-27. September, 2019.</i>	400+
<i>Participation at the EFGS 2019 Conference, Manchester, 10-11 October, 2019</i>	40
<i>Copernicus Global Land Services (CGLS) User Group Meeting Participation in the SDG-related discussion Brussels, 15 October 2019</i>	15
<i>„Promoting the use of EO/GI data and support the related ecosystem development for SDGs“ DLR Symposium on New Perspectives of EO. Cologne, 12-13 November 2019.</i>	200+
<i>HSO Liaison Report includes update on MFTTT WG4SDG activities CEOS WGISS-50 Virtual Meeting 22-24 September 2020.</i>	60+

Some basic documents shared in frame of the awareness raising campaign of MFTTT WG4SDG

2016
Outcomes of the GEO XII Plenary and Ministerial Meeting (GEO Secretariat)
Future trends in geospatial information management (UN Statistics Division GGIM)
Statement of the G-7 Ise-Shima Leader's Summit on support the SDG process (MOFA)
UN Multi-stakeholder Forum on Science, technology and innovation for the SDGs. (IISD)
The Global Geodetic Observing System (IAG)
2017
Mapping the SDGs and their targets based on their indicators (ICA)
Climate Change and the SD Agenda. Summary report of High-Level SDG Action Event (IISD)
The Datacube Manifesto (Peter Baumann, Earthserver)
Chapters on Policy and Standards in 'Perspectives on the Nature of Geo-spatial Information' (Thematic issue of Geo-spatial Information Vol.20/2 edited by J van Genderen)
Secure Land Rights and Smart Cities Making it work for SD (UNSD GGIM Academic Network)
Second Progress Report of the UN Secretary-General (IISD SDG Knowledge Hub)
GEO Initiative 18: EO in Service of the 2030 Agenda for SD. Strategic Implementation Plan (GEO)
Report of the GEO EO4SDG virtual meeting Dec 4, 2017 highlighting UNSD IAEG-SDG, UNGGIM, UNSD WGGI, EG-ISGI and UNECE-GGIM Europe activities and the guidelines of GSGF (RFG Napló)
Ireland's Sustainable Development Goals (SDGs) data hub (Government of Ireland)
A view-based model of data-cube to support big earth data systems interoperability. In Big Earth Data Journal (a JRC – APR NRC paper)
2018
2091/2017.(XII.28.) Government Decree on the tasks of national implementation of the UN 2030 Agenda (National Legislation Database, Hungary)
Earth Observations for Official Statistics. (Earth Observations Task Team, Big Data Global WG, UN Statistics Division)
SD in the EU — Monitoring report on progress towards the SDGs in an EU context. (EUROSTAT)
Satellite EO in support of the SDGs. Handbook. (CEOS and ESA)
2019
SDGs Connectivity Dilemma. Land and Geospatial Information for Urban and Rural Resilience. (UN GGIM Academic Network)
EO Solutions to address the UN SDGs: connecting water, energy, land use and food security (GEO EO4SDG session, AGU Conference)
FIG Task Force on SDGs established (2019-2022). (RFG Napló)
Our Common Digital Future – Draft Charter for a Sustainable Digital Age (WBGU German Advisory Council on Global Change)
Big Earth Data in support of the SDGs – prepared for the UN General Assembly (Big Earth Data Program, CAS)
GEO's impact on the UN 2030 Agenda on Sustainable Development (GEO)
GEO contribution to CEOS Handbook on 'Satellite Earth Observations in Support of the Sustainable Development Goals' (GEO)
Manual of Digital Earth H Guo, M F Goodchild and A Annoni (Eds.), Springer
2020
Letter from UN Secretary-General to G-20 Members “The world has agreed on a framework for action — the 2030 Agenda for Sustainable Development and the Paris Agreement on Climate Change — and they continue to offer a guiding light for people and planet. We must ensure that the recovery strategy out of this crisis keeps us on track towards these longer-term objectives, building a sustainable and inclusive economy.” (UN)
2021
Mapping for a sustainable World (ICA, 2021) https://www.un.org/geospatial/programmes
Compendium of EO contributions to the SDG Targets and Indicators. ESA (2021).

Some presentations at domestic and cross-border events with number of attendees

<i>Day of the European Surveyors and Geoinformatics. Event hosted by the Ministry of Agriculture, 22 March, 2017</i>	180
<i>Indicators and Monitoring of the UN SDG program and opportunities for the geoinformatics in Hungary. GISOpen 2017 Conference. Óbuda, University Technical Faculty Alba Regia (OE AMK), Institute of Geoinformatics, Székesfehérvár, 11-13 April, 2017</i>	150
<i>Hungarian Technical Scientific Society of Transylvania - 18th Conference on Geodesy. Tuşnad, Romania 18-21 May, 2017</i>	140
<i>8th Conference and Exhibition on Geoinformatics. Debrecen University, Debrecen, 25-26 May, 2017</i>	150
<i>31st Roving Conference of MFTTT. Szekszárd, 6-8 July, 2017</i>	170
<i>Tasks and opportunities to support the implementation of the UN 2030 Agenda. Further intervention to advocate to join the UNGGIM Academic Network. Mini Conference dedicated the 70th Anniversary of Prof. B.Markus. OE AMK Székesfehérvár 11 July, 2017</i>	45
<i>Earth Observation for the accomplishment of SDGs 15th Fény-Tér-Kép Conference (Annual forum of experts in RS, image processing, photogrammetry and geoinformatics). Hosted by GeolQ Ltd. Gárdony, 2017 október 12-13.</i>	100+
<i>Opportunities for Surveying and Geoinformatics in implementation of UN 2030 Agenda Day of the European Surveyors and Geoinformatics, Budapest, 21 March 2018.</i>	120
<i>INSPIRE Directive – the European Spatial Data Infrastructure (Accomplishment of SDGs justify the need for appropriate National SDI) Zielinski Conference Budapest, 4 May, 2018.</i>	
<i>EO for implementation of SDGs – Report on the GEO XV and WGISS-46 Plenaries 16th 'Fény-Tér-Kép' Conference. Gárdony, 16 November, 2018</i>	115+
<i>GISOpen 2019 Conference hosted by OE AGT. Székesfehérvár, 16-18 April, 2019</i>	110+
<i>MFTTT WG4SDG presentation at the 32nd Roving Conference of MFTTT 4-6 July, 2019</i>	30
<i>EO - Message of Recent International Professional Events (in the context of SDGs) 17th Fény-Tér-Kép Conference organized by GeolQ Ltd. 14-15 November 2019</i>	100+
<i>MFTTT for the Sustainable Development (video recorded) GISOpen 2020 on-line Conference, Óbuda University AMK Székesfehérvár September, 2020</i>	
<i>Development and results of the Earth Observation Information System (KIFÜ) Establishment of the EO Operations Center and EO actualities and plans in Hungary and at the ESA (LTK) 18th Fény-Tér-Kép Conference (On-line) organized by GeolQ Ltd. 18 November, 2020</i>	n.a.
<i>Activity of the MFTTT WG4SDG to support the implementation of the UN 2030 Agenda Day of the European Surveyors and Geoinformatics An on-line event of MFTTT and MH-GEOSZ, 18 November, 2020</i>	n.a.
